Topics covered in the class will include:

This class involves the use of video's, class participation and examples of my investigations that lead to successful results using these techniques that I have taught for 30 years. It will also cover two murder cases that were solved by using these techniques while assisting the Kentucky state Police in their investigation

At the end of the class the student will have 33 identifiers that people do when they lie and will have a working knowledge of each one.

this class has been taught by me to Insurance Company's, IAAI, FBI, ATF, Internal Revenue Investigators, West Chester Police, Sheriffs departments, Kentucky State Police, numerous police departments, fire departments, arson investigators, and attorneys and law firms.
